Uniform - Updated Information

There was an error in the table of items for boys and girls in the letter sent home last week. We apologise for this oversight but would like to assure you of the following points that some of you have raised with myself:

- Navy Blue Cardigans **WILL** be part of the uniform (to order only)
- Girls **WILL** be permitted to wear grey trousers as is current practice.
- We are looking into 'iron on' patches with the new school logo.
- We are considering selling baseball/legionnaires caps for summer months (to order only).
- Red jumpers/dresses/cardigans to be phased out from September 2008.
- The rest of the updated logo uniform to be in place by September 2009.
